

For a moment it all made sense

Jason Benjamin

Over the last decade, Benjamin has shown extraordinary perseverance in his rise to be regarded as the hottest young artist in Australia. *The Australian Art Collector Magazine*, has short listed Jason Benjamin in its 'Top 50 Most Collectable Australian Artists' alongside the critically acclaimed names of Blackman, Olsen, Whitley, Boyd and Nolan.

Benjamin has received a number of national art awards as well as being included in many institutional collections. He has exhibited extensively in Australia (often selling out before opening night) as well as London, Tokyo, Singapore and New York.
